## A Brief Description of Events:

**BRAVO!** Is a program that is designed to embrace an all-inclusive range of musical experiences. Sometimes this programming includes educational presentations, visual presentations of art and many other forms of music and the performing arts.

**TED Talks** are educational presentations that promote many different topics. Most often topics discussed are on **T**echnology, **E**ducation, or **D**esign, hence the acronym TED. These videos are meant to inspire, teach, and provoke innovative ideas to further enrich people's lives.
