

NASA SALUTE WEEK

AT GRAND LIVING AT TUSCAN LAKES

MAY 19-23, 2025

Join us as we honor the past and inspire the future. During this week-long, NASA-themed celebration of the milestones that shaped space exploration, hear from experts as they dive into the beginnings. Explore iconic memorabilia that brings these historic programs to life and cap off the week with the Moonglow Ball to celebrate the legacy and future of space exploration.
