OUR FOOD COMPETES WITH THE BEST RESTAURANTS IN TOWN.

IN GRAND TASTE™ is the cuisine standard at Grand Living, prepared at a level of excellence that rivals every restaurant in town. We made Grand Living a sanctuary for the culinary arts and the response from our chefs has been overwhelming. Here, award-winning chefs find a home to cook with passion and love for a community that truly appreciates their efforts. At Grand Living, we make everything from scratch, using fresh herbs and produce, and locally sourced ingredients. It's a difference you can taste. The same creativity goes into our menus. We offer incredible dining choices, changing our menus daily, because change is delicious too.

Invite your family and friends to dine with you – they will certainly be back for more.

DUST OFF YOUR SOCIAL CALENDAR, THINGS ARE ABOUT TO GET AMAZING.

FACETS™ is Grand Living's collection of life-enriching experiences. We embrace these experiences as part of the universal dimensions of well-being, including extensive opportunities to focus on your social life, health and wellness, lifelong learning, legacy, and spirituality. From our BRAVO™ program of world-class music and entertainment performances in our Forum Theatre, to cocktails in the Legends Club, practicing on our putting green, a visit to our spa, or a courtyard game of bocce ball, you'll find programs of all kinds to keep you engaged. If you prefer, enjoy a game of cards, a book club, yoga in our exercise studio, a GRAND PATRIOTS™ educational series with veterans, or a GRAND PERSPECTIVES™ exchange of friendship and mentorship between generations.
