

3 Months Out

- **Explore Your Options:** Visit Grand Living. Tour our beautiful communities, enjoy a meal in one of our IN GRAND TASTE® dining venues, and meet some of our residents. This helps you envision your life here and get excited about the possibilities.
- **Choose Your Floor Plan:** We offer a variety of spacious residence, complete with full kitchens, washers, and dryers. Select the layout that best suits your lifestyle.
- **Create a Timeline:** Work backward from your desired move-in date to set deadlines for each step of the process.

2 Months Out

- **Sort Your Belongings:** Go through your home room by room. Designate items to keep, donate, gift to family, or sell. Focus on what is essential, meaningful, and will fit comfortably in your new home.
- **Measure Your New Space:** Get the dimensions of your Grand Living residence. This will help you decide which pieces of furniture to bring and how to arrange them.
- **Involve Your Family:** Downsizing can be an emotional process. Invite loved ones to help sort through memories and make decisions together.

1 Month Out

- **Hire Movers:** Select a moving company with experience in moving seniors. They often provide extra services and care.
- **Update Your Address:** Begin the process of changing your address with the post office, banks, subscription services, and any other relevant parties.
- **Coordinate with Grand Living:** Our team is here to help. We'll coordinate with you and your movers to ensure a smooth moving day.

From planning and downsizing to moving day, the Grand Living team is here to support you every step of the way. We'll help coordinate the details so your transition feels organized, comfortable, and as effortless as possible.
